We encourage children to achieve a task with facilitators merely acting as motivators and guiding forces so that they experience the joy of self-accomplishment from an early stage. A plethora of academic and co-curricular activities is offered not just to engage the young minds but also allow them to discover various facets of their personalities. The indulgence of students in National and International Days aims to develop a strong respect and a sensitive approach towards diversified cultures. We aim to develop the cognitive, emotional, creative and spiritual potential of every child.

Athletic Day

“The only way to prove that you are a good sport is to lose.” With this notion and spirit the students of Grade III & IV of G.D.Goenka Public School, Mahanagar participated in the athletic event held in the school campus. The event consisted of 'Relay race', 'Ball race', 'Throw your flyer higher', 'Hurdles race' where in children showcased their team-spirit and zeal and cheered for each other.

Vivekanand House bagged the first position for Relay race and Ball race. The winners were Sarthak Dixit and Advik Kar of Grade-IV. Shresth, Grade-III of Radhakrishnan House secured first position for Flyer Race. Advik Mani Tripathi brought laurels for Tagore House by winning Hurdle race.

Christmas Celebration

Earthday

Field Trip to Centrum

“Tell me and I forget.

Teach me and I remember.

Involve me and I learn”.

In the light of the above saying, **G.D.Goenka Public School, Mahanagar** organized an **educational trip** for the students to **the Centrum**, one of the city’s most **renowed and exclusive life style clubs**. The little **Goenkans of Pre-Nursery to KG** were introduced to the cordial staff at **the Centrum** and were told about their job profiles, which helped the students to understand the contribution of **“community helpers”** towards the society. Keeping the theme of **‘Food’** intact as a part of the academic syllabus, the students of classes **I to IV** visited the **bakery** to comprehend the process of **baking**. It was indeed, a highly enriching and fulfilled learning experience for the students.

Fishy Fishy Activity

Friendship day

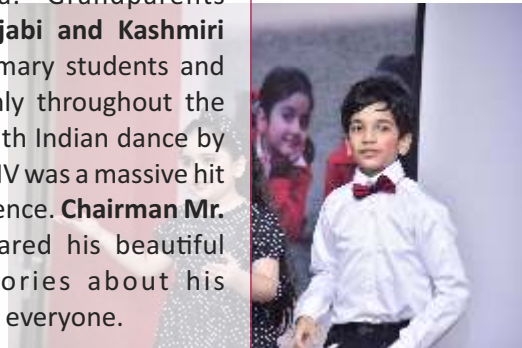

Grandparents day

“Grandparents hold our tiny hands for just a little while, but our hearts forever”

Keeping the above lines fresh in our hearts, the students celebrated **Grand Parents Day** on Friday 11th November 2022 on the theme of “Shades of India.” Grandparents enjoyed the **Punjabi and Kashmiri Dance** by Pre-Primary students and laughed thoroughly throughout the fun-filled skit. South Indian dance by the boys of grade-IV was a massive hit amongst the audience. **Chairman Mr. Sarvesh Goel** shared his beautiful nostalgic memories about his grandparents with everyone.

Activities at Its Best

Independence Day

"Freedom in the mind, Faith in the words, Pride in our souls - Let us all salute the nation on this Independence Day!"

With this spirit and zeal, the students organised a riveting event to celebrate 'Azadi ka amrit mahotsav'.

From an enthralling skit on our **freedom fighters** to zestful singing and dance performances, all the acts performed by the students instilled a sense of **patriotism** and **nationalism** among the audience.

Janmashtami

Kitchen Activity

Budding Goenkans of pre-primary section had a delightful experience being young chefs as they participated in the “**Kitchen Activities**”. Children learnt about fireless cooking and made yummy **burgers, doughnuts, sandwiches**. They were made aware of various techniques of cooking like **cutting, chopping, slicing, and grating**. Preparing their favourite snacks themselves and sharing with everyone was enjoyed by one and all.

Mother's Day

"A mother is the one who fills your heart in the first place"

-Amy Tan

The pre-primary students celebrated **Mother's Day on Friday, 6 May'22**. The students took part in various colourful activities like **card making, preparing bouquet, poem recitation** to express their gratitude towards their mothers on this special day. The aim of this celebration was to make the young goenkans aware of the selfless love of their mothers towards them. Students presented self made cards and gifts to their mothers thanking them for their immense love.

IF ONLY.....

If only I could know
The language of the birds,
They would talk to me, of course
In the sweetest voice I've heard.

If only I could control
The day and the night,
I would make the nights longer
So everyone would sleep all the time.

If only I were invisible
And no one except me,
I would scare the people around me
And travel the world for free.

If only I wish
I could breathe like fish,
Imagine how fun it would be
To swim around in the sea.

ELON MUSK

Elon Musk is my idol. He owns Tesla and Space X company. He made electric cars. He made many rockets like Star Ship B.P.R, Falcon-1, Falcon Heavy. He once sent Tesla Roadster car in space in his Falcon Heavy rocket. He wants to colonize Mars with humans. Elon Musk is a genius and I want to be like him. I watch all his videos on YouTube.

MY FATHER

He never looks for praises,
He is never one to boast,
He just goes on quietly working,
For those he loves the most.
His dreams are seldom spoken,
His wants are very few,
And most of the time his
worries will go unspoken, too.

FOOD FOR THOUGHT

It was a lovely, Saturday evening. I asked my parents for an outing. They agreed happily. My sister and I were so delighted. We went to a park and enjoyed a lot. While returning, we stopped at a restaurant to have chaat. After having chaat, I saw some kids staring at the chaat corner. At the same time I saw some people throwing their half eaten food. Those kids jumped on the thrown food. I felt so bad for them.

My parents explained to me that everyone is not so fortunate that they get food to fill their tummy. He said that we should never throw food. We should take as much quantity in our plate as we could eat. I remembered how at parties and weddings many people fill their plates and then they throw the left over in a bin.

That evening I learnt a big lesson. My parents trained me to take the correct portion of food. I also learnt to help the needy. Wasting food is a sin. We should save food wherever possible and should give the needy instead of throwing.

FIRST DAY AT SCHOOL

I wonder if my drawing
Will be as good as theirs.

I wonder if they'll like me
Or just be full of stares.

I wonder if my teacher
Will look like Mom or Gran.

I wonder if my puppy
Will wonder where I am.

TEACHER

You are a special person,
Who teaches us in class.
And help us to learn,
In a world that moves so fast.

You inspire and groom us,
So that we can grow.
But we are touched,
Because of the love you show.

Every day you plant a seed,
So that we can learn and succeed.
We are thankful for what you have done
Oh my teacher! You are number one.

A VISIT TO AGRA

I had a long weekend so my parents
decided to visit Agra and show me the Taj
Mahal.

Taj Mahal was built by Shahjahan in the
loving memory of his queen Mumtaz
Mahal. It took twenty two years to build
it. We also visited the Agra Fort, a very
famous monument of Mughal Era having
Shahahani Mahal, Shish Mahal Diwaan-e-
Aam etc. Later we visited Fatehpur Sikri. It
is famous for Salim Chishti's tomb, Buland
Darwaja and striking palaces of Rani Jodha
Bai. Watching the Taj Mahal was like a
dream come true. I thank my parents for
introducing me to the wonderful
historical monuments of Agra.

POWER OF CONCENTRATION

There were two boys. One was a little naughty
and the other was sincere. But whenever it was
result time, the naughty boy used to get good
marks as compared to the sincere one. It was
strange for the mother because she had a
feeling that the sincere one will get higher
marks. The naughty boy used to learn things
easily because he tried to finish up everything
quickly but with a focused mind. The sincere
one kept himself involved for hours but not with
proper concentration. The story tells us that "If
we do anything with proper concentration it is
done in lesser time and the results are as per our
expectation."

I ASPIRE TO...

I aspire to become a space scientist, I want to peak into the observatory of the space and discover the truth of several mysteries. I want to build a rocket that can compete with the speed of light. I want to invent a telescope that can see through other galaxies. Also I want to discover new planets with life. I aspire to become the world's most famous scientist. Space has so many interesting facts and stories and I enjoy knowing about them.

NUMBERS TELL

Numbers Tell, Numbers Tell
How old I am,
And how many family members are in my home.

Numbers Tell, Numbers Tell
Where I live,
And how much I weigh.

Numbers Tell, Numbers Tell
When I wake up,
What size shoes to buy for my pet.

Numbers Tell, Numbers Tell
How much money things cost,
And a number to call if I get lost.

IF I HAD SUPERPOWER

If I had superpowers, I would make the world a better place. Using my magic powers, I would plant plenty of trees all over the world so that it reduces global warming and purifies air. Trees are the lungs of the planet. Planting more trees will help fight climate change. I would also clean the rivers and the oceans. Thus the world would become a better place to live in.

GOOD MANNERS

A short rhyme to learn most of the good manners.
Always be on time.....
and wait for your turn in a line.....

Keep things tidy and neat.....
and greet people you meet.

When coughing and sneezing cover your mouth.....
Always talk politely and never shout.....
With your friends do not fight.....

And always say sorry when you are not right.

IF I HAD WINGS...

If I had wings I would fly high and observe everything from high above.

If I had wings I would see the foggy clouds shadowing over the tip of the mountain tops.

If I had wings I would fly to the rainbow and take all the colours as much as I wanted.

If I had wings I would see the birds fly with me. Wings might help me to visit and see all beautiful places in the world.

If I had wings I would feel I am the most luckiest girl on this earth.

NATURE

Nature is the most essential part of our lives. Without nature life is impossible for us. We know that nature will always be with us but are we really with nature. We can see several birds like sparrows, starlings and animals like tigers, leopards etc have declined in number and are now endangered species. If we will be able to maintain our healthy contact with nature then surely our coming generations will be more healthy and active.

चिड़ियाघर की सैर

देखा था जिनको किताबों में मैंने
आज सामने से देख पाया,
बाघ सफेद भी होता है
अब कहीं मैं जान पाया।

ज़िराफ की गर्दन है कितनी लंबी
हाथी होता है कितना विशाल,
जेबरा की काली-सफेद धारियाँ देखी
सुन शेर की दहाड़ हुआ बुरा हाल।

मछलियों कितनी तरह की हैं,
चिड़ियों- तोतों के हैं कितने रंग,
गैंडे के होता है एक सींग
हिरण दौड़ता है हवा के संग।

एक छोटी सी रेलगाड़ी
पूरा चक्कर लगाती है,
चिड़ियोघर के हर कोने से
मेरा परिचय कराती है।

मौसी आई

दौड़ा-दौड़ा चूहा आया
भागो-भागो शोर मचाया।
दौड़ो बिल्ली मौसी आई
चूहे ने यह बात बताई
बीच चौक में मौसी जी ने
सिर पर पहनी पगड़ी है,
चूहे को खा जाने वाली
बिल्ली कितनी तगड़ी है।
ओ री मईया ! ओ री दादी !
हमने क्या कर दी नादानी ?
देखो, दौड़ो, छिपकर आई
कर देगी अब खत्म कहानी।

WINTER CAMP ORGANISED AT GDGPs

Adventure is worthwhile. It is the best way to learn, find, begin, and have fun. On February 4-6, 2023, a 'Winter Day Camp' was organised for classes Pre-Nursery to class V and a 'Winter Night Camp' was organised for classes VI-VIII at GD Goenka Public School, Lucknow, to give the students a feel of the live adventure activities and experience of camping. It was an enjoyable camp initiated and managed by 'The Climb Up' company. There were many amazing activities like Zorb Roller, Rope Ladder, Trampoline, Tent Pitching, Zip Line, Commando Net, Tyre Tower, Rope Walk, Wall Climbing, and Hopscootch. Children participated under the supervision of trained instructors and teachers. The bright sunny day kept all the children engaged. At night, the students enjoyed the bonfire and treasure hunt like activities. It was an altogether different feeling for the children, staying away from

home and family and spending a winter night in a tent under the starry sky. The camp concluded with the distribution of prizes to the winners in different activities. This camp gave great exposure to the children and a platform to be more confident and self reliant.

Ex-student Nandini Goel has been felicitated by the Hon'ble Governor Smt Anandiben, for her contribution in social work through the NGO Inayat.
