HIGHER  
STRONGER  
BRIGHTER

GD Goenka Public School is committed to provide an outstanding start to your child's education. Our mission is to serve humanity at large, ensuring to nurture the future generation of our nation. We aim to provide a holistic learning experience by encouraging individuality and interaction with our community. The Cambridge curriculum will stretch and inspire our students further. Please enjoy learning more about our school, through this brochure.

**Mr Sarvesh Goel**  
Chairman  
GD Goenka Public School, Lucknow

Each student for us is a unique, purpose driven individual. Our focus is to develop them as global citizens, with tolerance, respect and appreciation of diverse cultures and religions for a life-time learning experience. We prepare them to be self-motivated, independent, confident decision makers who would be torch bearers of tomorrow taking up leadership roles in future. The unique steps towards Cambridge Curriculum provides a sense of Global Comradeship. The students have options to select the skill subjects from Class IX onwards which make them self reliant thereby preparing them for future.

**Dr Perna Mitra**  
Principal  
GD Goenka Public School, Lucknow

# INTRODUCTION

GD Goenka Public School, Mahanagar, Lucknow is a place where young minds are nurtured with care, and students are encouraged to explore, learn, and grow in a stimulating and supportive environment. Our school focuses on laying a strong foundation for each child's academic journey. Our dedicated teachers strive to provide personalized attention to help each student discover their strengths and passions. We ensure that every child blossoms into a confident, well-rounded individual, ready to make a positive impact on the world.

With warm regards,  
**Shaily Dawra**  
 Headmistress, GD Goenka Public School,  
 Mahanagar Lucknow

# OVERVIEW

GD Goenka Public School Lucknow, a CBSE affiliated institution established in 2011, is a part of a successful national chain of premier schools. We offer holistic education from Pre-Nursery to class XII. The fraternity of the school strives to achieve the best academic standards in the world. It promises students access to the finest environment and facilities for tapping their varied interests and maximising their potential. The school actively promotes scientific temperament and innovativeness. It has a strong academic infrastructure and state-of-the-art facilities including a Wi-fi campus, a well-stocked library, Mathematics, Science and Robotics labs, large playground, Semi-Olympic size swimming pool, indoor sports arena, indoor activity room, air-conditioned auditorium, spacious smart board enabled classrooms with comfortable furniture, cafeteria, and a fully air-conditioned hostel facility for the boys etc.

# VISION

We envision a learning environment that fosters paramount values and multivalent competencies in growing individuals with the help of a dynamic curriculum.

# PHILOSOPHY

Together, with the members of our management and our administrators, we have created a safe, sound and healthy co-educational learning environment for our growing pool of learners, to help them enable, empower and ultimately excel.

## MISSION

- To provide top-notch holistic education, with a broad, participative and balanced curriculum
- To facilitate a nurturing and safe environment that encourages lifelong learning and personal growth
- To enable students to discover their talents & capabilities and achieve their true potential, so that they may reach the highest possible standard in everything they undertake
- To encourage citizenship, responsibility and teach generosity of spirit, so that students become self-disciplined and learn to respect themselves, each other, and the world in general

**"Fostering Paramount Values, Multivalent Competencies to Enable, Empower and Excel"**

## Interactive Learning to Nurture Curiosity, Understanding and Creativity

**Emphasis on the education of our students that goes beyond the classroom and focuses on the concept of a radical, child centred educational approach.**

## **PEDAGOGY AND TEACHING PRACTICES**

Technology and education is used together with a right reason and vision. It is woven into the curriculum in the form of Smart Classes which makes it convenient to conduct hybrid classes. The teaching fraternity, is well-versed with the system, ensuring that technology is integrated well into the lessons to help in teaching the concepts thoroughly. It is also employed for recapitulation, oral tests and remedial teachings. In addition to the regular classes students are given enough practice for preparation of various competitions. Life Skills are imperative for the development of children, and for this global exchange programs and international collaboration is enforced.

# HIGHLIGHTS OF THE CAMBRIDGE CURRICULUM

It is the world's leading provider of international education for 5 to 19 year olds. The program stretches, challenges and inspires students of all abilities whatever their cultural context. As it is flexible to meet the needs of the student. The curriculum promotes a hands-on approach to teaching and learning. Emphasis is on conceptual learning while discouraging rote learning thereby improving analytical and critical thinking skills.

## CAMBRIDGE ASSESSMENT

Cambridge Primary / Lower Secondary offers three types of assessments that teachers can use to monitor learner performance and report progress to learners and parents:

Cambridge Primary / Lower Secondary Progression Tests.

Checkpoint (marked by Cambridge examiners). Classroom assessments

Aims at helping the students by providing them with assistance to identify their strengths and aptitude for their future careers.
